

Hi returning and future Booster Club Members

Attached are the forms for program ads – both business and personal well wish ads. I have also included a page of example well wish ads. All of these forms will be posted on the website as well under the Booster Club section. – www.lamarvolleyball.net

If you are doing your own ad, please note the specifications on the attached form. If you do not have the skills to do your own ad, I would be glad to help you, just send me a sketch of what you want it to look like, what you want it to say and if you have a font preference.

We would also like to start getting those business ads in for the program. Ask your employer, your dentist, your cleaners, everyone you see regularly if they would be interested in buying an ad in our program. Football has already started; we don't want businesses turning us down because they have already spent their money. Now is the time! Dee Dee Nursey is in charge of the business ads, so any questions concerning those should be directed to her. Dee Dee's contact information is at the bottom of this letter.

I have not set a deadline for turning in your ad but it would be great to get as many of these as possible, as soon as possible. If your daughter decides not to play volleyball for whatever reason when August rolls around, we will refund your money, no problem.

I know this is a busy time at the end of school and I will try to send out another reminder in a few weeks. We would so appreciate your cooperation in getting this done as soon as we can as the beginning of school is also a crazy, busy time! Do we have a time that isn't?

If you were not able to attend the meeting on the 13th and have questions about any of this, please feel free to contact me.

Thank you all so much.
